valley blinds

Your **Show Area** is an important area for hygiene control. Traditional curtains with sewn hems can trap dirt and have to be machine laundered.

Our **ultraguard**® Shower Curtains are **hygienic** with no seams to ensure **zero dirt entry**.

They are a **highly durable** polyester fabric with a smooth **wipe-clean** PVC finish suitable for use with any detergent.

With metal eyelets for **strength** and **standard widths** designed to fit all standard shower tracks, our **ultraguard**® Shower Curtains are the **ultimate choice** for all your shower areas.
